

# YAHWEH'S PROMISES

"You're here because you've all been called into the Melchizedek order, which represents God's tithe or ten percent to the earth to, produce the end time harvest." – Nancy Coen

## THESE ARE THE PROMISES FROM HIM:

*I've already given you the book of unity. But now:*

**I AM** going to give you the keys to open the locks that keep their mysteries hidden.

Unity has been a mystery that is ever evolving in the body of Christ. And so the Lord is giving us keys now to open up how to release unity and oneness into the earth. *Eph 4:4-6*

**THIS YEAR** will signal a new and permeating message of unity and oneness in the body.

It's time for us to start functioning in unity and oneness, we have to set our focus on unity and oneness.

**I AM** revealing strategies and keys that will produce quantum entanglement with me and with others.

We're actually in a process at this present moment to move into the position to follow Jesus in everything He said and did.

*1 Corinthians 6:17*

**I AM** beginning to bring to pass the systematic changes. Everything that can be shaken is going to be shaken. All the twisted counterfeits are going to be shaken until the righteous reals emerge.

*\*\*This isn't limited to 2025. It's a continual shift and release that's happening now.*

# YAHWEH'S PROMISES

- **I AM** going to give you time-released access to the seven ancient pathways, so that the seven spirits before the throne can teach you how to walk in the paths of Melchizedek.  
So that we can grow up into the fullness of the measure of the stature of Christ.
- **I AM** initiating the beginning of the restoration of your youth, the restoration of longevity, the restoration of immortality by beginning the individual evolution of your repetitive thought patterns and healing your negative emotions.  
Trust me in this.

And this is what the Lord said.

Why do you *constantly pursue new revelation* instead of activating what you've already been given?

**Be grateful** for the magnitude of information and spiritual technology that I've already given you.

Call your people into remembrance of the directions, the instructions, the blueprints, the corrections that I've **already** given them access to and ask them to activate the principles I've **already** given them so that they can continuously grow and mature.
